We offer many computing support services that Engineering Faculty, Staff and Students need while attending The University of Connecticut School of Engineering (SOE). You must do the following to use this exclusive service.

**Change Your Password**

You will need to use your University NetID and Password to authenticate yourself against our account system. Please go to https://accounts.engr.uconn.edu

**Pick Email Destination**

Your email is currently being delivered to the University Information Technology Services (UITS) mail system, as this is the only account ID and Password that you own. When you get your SOE account you can change where you want your email delivered.

Faculty & Staff
Your email is on the SOE email server
Students (Graduate and Undergraduate)
You have three options for email delivery.
Read email at UITS Husky mail system
Read email at SOE mail system
Read email at Gmail, Hotmail or other
